Far East Group Limited Honoured as a Winner in the LowCarbonSG Category of the Singapore Apex Corporate Sustainability Awards 2025

Singapore, 13 October 2025 - Far East Group Limited ("**Far East Group**") has been honoured as a winner in the LowCarbonSG category of the Singapore Apex Corporate Sustainability Awards 2025, organised by the United Nations Global Compact Network Singapore ("**UNGCNS**").

The LowCarbonSG Award recognises businesses that have achieved significant decarbonization milestones, with notable improvement in Scope 1 and 2 carbon emissions over the past 24 months through exceptional effort and strategic investment. This accolade highlights Far East Group's unwavering commitment to environmental stewardship and its contribution toward Singapore's transition to a low-carbon future.

Far East Group's sustainability journey demonstrates how purposeful initiatives and innovation can support environmental outcomes. Through systematic carbon tracking, investment in green technologies, and robust emissions management, the company has successfully reduced its environmental footprint while maintaining operational excellence.

About UNGCNS

The UNGCNS is the local chapter of the United Nations ("**UN**") Global Compact, serving as Singapore's leading voice on corporate sustainability. UNGCNS drives multi-stakeholder action to create a sustainable future, grounded in the Ten Principles of the UN Global Compact and the UN Sustainable Development Goals ("**SDGs**"). The organisation advances sustainable business practices and supports Singapore's ambition to be a regional hub for sustainable business leadership.

About Singapore Apex Corporate Sustainability Awards

The Singapore Apex Corporate Sustainability Awards are among the most prestigious recognitions for corporate sustainability in Singapore, celebrating companies whose operations or solutions exemplify the Ten Principles of the United Nations Global Compact in environment, human rights, labour, and anti-corruption. The annual Awards spotlight organisations that have taken decisive steps to advance the SDGs, inspiring others to share the responsibility of building a more sustainable future.
